

# Energy and Industry Department Prime Minister's Office Note to Industry (NTI)

TOPIC Pyrotechnic Importation and Disposal: Recognition of Service Provider		Reference Number 2017/NTI/2	
Approved by: Head of HSSE	Issue date: 18 <sup>th</sup> January 2017	Expiry date:	Revision No: 1.0

## Background

In Brunei's industry sector, there are entities that require to maintain and carry pyrotechnics for safety reasons, as a means to signal distress for the safety of life.

Industry should be aware of the country's regulations in regards to the importation, use, storage and disposal of explosives, including pyrotechnics, which are controlled under the Public Order Act. A person or company shall acquire such pyrotechnics in a lawful manner and for a lawful purpose (Public Order Act – 28.3(a)).

## Objective

Energy and Industry Department, Prime Minister's Office (EIDPMO) would like to inform Industry of a locally recognized service provider that can provide support for managing the importation and disposal of pyrotechnics in Brunei Darussalam.

Any person or company wishing to bring pyrotechnics into the country or to dispose unused pyrotechnics may contact the following service provider:
